We strongly believe that first impressions count and here at Pacific Support Services we provide a first class service for a clean and safe working environment for you, your staff and your visitors.

Pacific Support Services have years of expertise in many fields and currently have contracts cleaning . . .

Offices, Communal Parks, Educational Sites (Schools, Colleges & Universities), Retail, Leisure & Healthcare premises.

## WHY CHOOSE PACIFIC SUPPORT SERVICES

- Client feedback confirms we regularly deliver over & above on our levels of service.
- Bespoke specifications to cater for all our clients' needs.

Our staff . . .

- We care about our staff and treat them well, this reflects in our results and cleaning standards.
- We give all of our staff holidays + bank holidays.
- Security of your site is paramount and for added peace of mind we use the same uniformed staff everyday.
- All staff members are fully vetted.
- Full training given to all staff & supervisors for each site.

We provide a full management overview to ensure smooth contract start-ups with on-going site visits and regular contact to ensure our standards are maintained.

All our management staff have worked within the industry for many years providing the highest level of service.

All your services are managed under one umbrella . . .

With our one call resolution plan, you are in contact with a management team member who can answer your query.

We support many local charities and hold an annual golf day event in aid of our chosen charity, Young Epilepsy. If you would like to get involved then please do give us a ring for more information..

***We don't cut corners  
we clean them !***
